Step 1

will outline the first placement

then lay your piece down
allowing for seam allowance
and it will sew out all around
and you can trim

I hoop backing and cotton batting

Place second fabric down along the proper place
and sew to the first fabric
Flip out and smooth out
and next step is to sew the placement line for third fabric
trim if needed

START
STOP

fold out and trim

240 x 240mm 9-1/2" x 9-1/2"

fold over and finger press
next placement line will sew

Place next fabric strip over placement line
making sure you have a 1/4 inch seam
Sew seam

trim once again

9-1/2" x 9-1/2"

Fold out, Finger press and
next placement line will sew out

240 x 240mm

9-1/2" x 9-1/2"

place next fabric strip just over the placement line
leaving a 1/4 inch seam allowance
and sew

Continue following the numbers
on the finished block

At the end a basting out line sews out
and you can use this line to cut a perfect square
