SHARPEN YOUR NUTRITIONAL APPROACH

This 100-hr post-graduate certification in Applied Clinical Nutrition provides a solid foundation in whole food nutritional education while granting recognition and credit for time spent in continuing education seminars and online courses. This nationwide program is a collaborative effort between Whole Food Practice and Texas Chiropractic College (TCC) and is designed for Licensed Healthcare Practitioners (some exceptions considered).

WHOLE FOOD PRACTICE

100-HOUR WHOLE FOOD NUTRITION ACN CERTIFICATION PROGRAM

- 60 Hours CEU Seminar or Online Course Participation
- 20 Hours Directed Study
- 20 Hours Elective Independent Study
- Online Final Exam (100 Points)

1
CEU SEMINARS

Standard Process CEU seminars and approved webinars count toward certification.

2
DIRECTED STUDY

Your welcome box includes books, articles and audio that cover foundational topics.

3
INDEPENDENT STUDY

You have freedom to select from an array of materials that suit your personal interests.
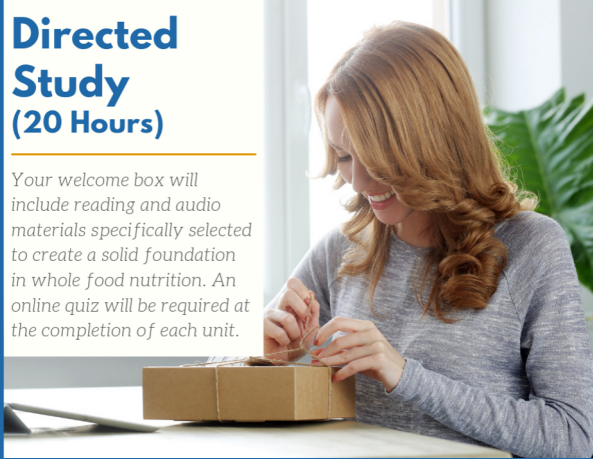

Continuing Education Seminars (60 Hours)

CEU seminars sponsored by TCC or other accredited chiropractic colleges constitute ⅔ of this program. These credits can be from nutrition-related seminars and/or online programs that meet this criteria. Enrollees are welcome to choose their seminar topics.

Directed Study (20 Hours)

Your welcome box will include reading and audio materials specifically selected to create a solid foundation in whole food nutrition. An online quiz will be required at the completion of each unit.

Elective Independent Study (20 Hours)

Customize your certification experience with Whole Food Practice courses, approved nutritional books, webinars, study groups, case study submissions, health-related movies or documentaries, college courses, conference attendance or concurrent certifications.
